---

- When student punches PIN the cashier's screen displays:
  - NOT allowed to Charge - If parent chooses
  - Block General: If parent won't allow child to use general account to purchase ala carte or 2nd meals
  - Charge Limit: Allows parents to set limit on how much child can charge when they don't have cash.
  - Low Balance: Notifies the cashier that the account balance is low so they can remind customer.
  - Spend Limit: Allows parents to set limit on how much their child is allowed to spend.
